Pat was Wonderful! I called Pat and had him take a look at a house I was in the process of buying and he did a very good inspection on the house, was very personable and provided more services than paid for. I am very pleased with his service and would recommend him to a friend any day.

You were so great with my client (as always). Thanks Pat for all you do for me. I really do appreciate how talented you are with all this.

I want you to know that Mrs. Weakland told me she was very happy with the service you provided her. She felt very comfortable to ask you questions. I have shared the report with the lender. As it turned out, the seller's agent asked that we send a request for repair and it should not be a problem to get taken care of. This has made the Weakland's even happier to know some of those repairs will be off of their list.
